COVID-19 RESPONSE FOR PERSONS WITH DISABILITIES

Bangladesh Business & Disability Network urgently appeals to Members & Partners to join hands to support persons with disabilities, their families and caregivers who are most vulnerable to the adverse health and economic impacts of COVID-19.

BBDN is partnering with Employers and Disability NGOs with networks across the country to reach those in need. Below are photographs from initiatives already undertaken by Disability NGOs for hygiene and sanitization support, awareness raising and providing food rations and essentials.
